The State shall not assume any obligation to indemnify, hold harmless, or pay attorneys' fees that may arise from or in any way be associated with the performance or operations of this agreement. (COMAR 21.07.03.23)

**24. CONFLICTING TERMS:**

Any proposal for terms in addition to or different from those set forth in this purchase order or any attempt by the Contractor to vary any of the terms of this offer by Contractor's acceptance shall not operate as a rejection of this offer, unless such variance is in the terms of the description, quantity, price or delivery schedule, but shall be deemed a material alteration thereof, and this offer shall be deemed acceptable by the Contractor without the additional or different terms. If this purchase order is an acceptance of a prior offer by the Contractor, the acceptance is expressly conditioned upon Contractor's assent to any additional terms contained herein. The Contractor understands and agrees that the terms and conditions of this purchase order may not be waived.

**25. DRUG AND ALCOHOL FREE WORKPLACE:**

The Contractor warrants that the Contractor shall comply with COMAR 21.11.08 Drug and Alcohol Free Workplace, and that the Contractor shall remain in compliance throughout the term of this purchase order.

**26. CHANGES - WORK ORDERS:**

**Changes:** The Procurement Officer unilaterally may, at any time, without notice to the sureties, if any, by written order designated or indicated to be an order, make any change in the work within the general scope of the contract, including but not limited to changes:

In the specifications (including drawings and designs);

In the method or manner of performance of the work;

In the State-furnished facilities, equipment, materials, services, or site; or

Directing acceleration in performance or delivery.

Any other written order or an oral order, including a direction, instruction, interpretation, or determination from the Procurement Officer that causes or constitutes any such change shall be treated as a change order under this clause provided that the Contractor gives the Procurement Officer written notice stating the date, circumstances, and source of the order and that the Contractor regards the order as a change order.

Except as herein provided, no order, statement, or conduct of the Procurement Officer shall be treated as a change under this clause or entitle the Contractor to an equitable adjustment hereunder.

Subject to paragraph (6) of this subsection, if any change under this clause causes an increase or decrease in the Contractor's cost of, or the time required for, the performance of any part of the work under the contract, whether or not changed by an order, an equitable adjustment shall be made and the contract modified in writing accordingly; provided, however, that except for claims based on defective specifications, no claim for any order under (2) above shall be allowed for any costs incurred more than twenty (20) days before the Contractor gives written notice as therein required; and provided further, that in the case of defective specifications for which the State is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with such defective specifications.

If the Contractor intends to assert a claim for an equitable adjustment under this section, he shall do so in accordance with and subject to the disputes procedures of the contract.

Each contract modification or change order that affects contract price shall be subject to the prior written approval of the Procurement Officer and other appropriate authorities and to prior certification of the appropriate fiscal authority of fund availability and the effect of the modification or change order on the contract budget or total cost. If, according to the certification of the fiscal authority, the contract modification or change order will cause an increase in cost that will exceed budgeted and available funds, the modification or change order may not be made unless sufficient additional funds are made available or the scope of the contract is adjusted to permit its completion within the project budget.

No claim by the Contractor for an equitable adjustment hereunder shall be allowed if asserted after final payment is made under this contract.

As used in this section, “work” means any and all commodities, goods, materials, labor, services, manner or time of delivery or performance, or other elements of performance required to be furnished or supplied by the Contractor under this contract.

**Miscellaneous:** In the event of a dispute between the Department and the Contractor as to whether any work is included in the scope of the contract such that the Contractor would be obligated to provide that work at no additional cost to the State, the Procurement Officer may order the Contractor under this section to perform the work (a “Work Order”). If the Contractor considers such an order to be a change in the scope of the contract entitling the Contractor to additional compensation, a time extension, or other relief, the Contractor must provide the notice required by this section and initiate a claim therefore in accordance with contract requirements. An order of the Procurement Officer, by virtue of being called or referred to as a “change order,” does not necessarily constitute a change in the scope of the contract or in the work required under the contract. The Contractor shall not be entitled to additional compensation, a time extension, or other relief for complying with an order of the Procurement Officer if the contract otherwise requires the Contractor to perform as stated in the order.

Upon receipt of a signed written order of the Procurement Officer under this section, the Contractor shall comply with the order promptly, within the requirements of the required completion or delivery time, whether or not the Contractor signs or accepts the change order. Failure to comply with the order in a timely manner shall constitute a breach of the contract and grounds for termination for default or any other remedy available to the State.

The State may issue a unilateral order on the State’s terms (including a promise to pay the Contractor a “not to exceed” (“NTE”) amount) which the Contractor may then dispute in accordance with the disputes procedures of the contract. Pending resolution of such a dispute, Contractor must proceed diligently with performance of the contract as ordered by the Procurement Officer.

The terms “not to exceed” and “NTE” when used in a change order mean that the amount of the change order (whether an increase or a decrease in the contract amount) will be a reasonable amount not to exceed the amount stated.

## **27. RETENTION OF RECORDS:**

The Contractor shall retain and maintain all records and documents relating to this contract for three years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the procurement officer or designee, at all reasonable times.

## **28. COMPLIANCE WITH LAWS:**

The Contractor hereby represents and warrants that:

- A. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

## **29. COST AND PRICE CERTIFICATION:**

The Contractor by submitting cost or price information certifies that, to the best of its knowledge, the information submitted is accurate, complete, and current as of a mutually determined specified date prior to the conclusion of any price discussions or negotiations for:

- A. A negotiated contract, if the total contract price is expected to exceed \$100,000, or smaller amount set by the procurement officer; or
- B. A change order or contract modification, expected to exceed \$100,000, or smaller amount set by the procurement officer.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information, which, as of the date agreed upon between the parties, was inaccurate, incomplete, or not current.

**30. BID / PROPOSAL AFFIDAVIT:**

Each Bidder or offeror shall execute and attach to the bid or proposal the affidavit included with this solicitation.

**31. CONTRACT AFFIDAVIT:**

The successful Bidder or Offeror shall execute and deliver to the Procurement Officer prior to the award of the contract the Contract Affidavit included with this solicitation. (The Affidavit also can be found at COMAR 21.07.01.25).

**32. PUBLIC INFORMATION ACT NOTICE:**

Offerors should give specific attention to the identification of those portions of their proposals that they deem to be confidential, proprietary information or trade secrets and provide any justification why such materials, upon request, should not be disclosed by the State under the Access to Public Records Act, State Government Article, Title 10, Subtitle 6, Annotated Code of Maryland.

**33. MINORITY BUSINESS ENTERPRISE NOTICE:**

Minority Business Enterprises are encouraged to respond to this solicitation.

**34. ARREARAGES:**

By submitting a response to this solicitation, a vendor shall be deemed to represent that it is not in arrears in the payment of any obligation due and owing the State of Maryland, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the contract if selected for contract award.

**35. MULTIPLE OR ALTERNATE BIDS:**

Unless multiple or alternate bids are requested in the solicitation, multiple or alternate bids may not be accepted. If the solicitation does not request multiple or alternate bids, if received they will be treated in accordance with COMAR 21.05.02.21.

**36. BPO/PO AS CONTRACT:**

This provision applies to all procurement contracts procured by the Department of Natural Resources except contracts for the procurement of architectural and engineering services for a price of greater than \$200,000.

As used in this provision, a bid refers to a bid submitted under competitive sealed bidding and to an offer submitted under competitive sealed proposals.

As used in this provision, a Bidder refers to a Bidder under competitive sealed bidding and to an offeror under competitive sealed proposals.

As used in this provision, a solicitation means an Invitation for Bids, a request for proposals, or any other document requesting bids or proposals for procurement by the Department.

The Bidder's execution and submission of a responsive bid constitutes a promise by the Bidder to perform the contract solicited by the Department in accordance with the terms and conditions stated in the solicitation. The bid shall be irrevocable for the period stated in the solicitation or for such longer period as the Bidder and the Department may agree.

Upon acceptance of a bid, the Procurement Officer may issue a Blanket Purchase Order (BPO), in a form to be determined by the Department, to the Bidder accepting the bid and binding the Bidder to a contract. The execution and issuance of a BPO by the Procurement Officer, subject to all necessary approvals, shall constitute acceptance of the bid and final award of the contract. The contract of the parties will be embodied in the contract documents, which shall consist of the executed BPO of the Procurement Officer, including all documents, terms, and conditions incorporated into those documents by the terms of the solicitation, the BPO, the bid, or by operation of law, and the executed bid of the Bidder. If the Procurement Officer issues a BPO, at the option of the Procurement Officer it will not be necessary for the Bidder to execute the BPO or any other form of contract or agreement. The Procurement

Officer may require that the parties both execute a single document as the embodiment of the contract between the parties.

In the event of a conflict between provisions of the contract documents, the controlling provisions shall be, in the following order, those of:

The BPO; then

The Solicitation; and then

The Bid.

### **37. RETURNED GOODS:**

Contractor(s) shall be entitled to recover reasonable compensation for any and all goods shipped in accordance with authorized agency orders, meeting all contract requirements, and returned by the agency for reasons other than the Contractor's failure to meet contract requirements. Compensation shall be limited to actual unreimbursed costs incurred by the Contractor including, but not limited to, restocking charges, shipping charges, plus reasonable profit. Contractor must provide written proof of claimed compensation. A return of goods covered by this section shall be deemed a partial termination for convenience as to the returned goods, and other contract provisions and principles applicable to a partial termination for convenience shall apply.

### **38. TIE BIDS**

Tie Bids will be decided pursuant to COMAR 21.05.02.14.

### **39. DELAYS AND EXTENSIONS OF TIME**

The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract.

Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

### **40. PATENTS, COPYRIGHTS, AND INTELLECTUAL PROPERTY**

All copyrights, patents, trademarks, trade secrets, and any other intellectual property rights existing prior to the Effective Date of this Contract shall belong to the party that owned such rights immediately prior to the Effective Date ("Pre-Existing Intellectual Property"). If any design, device, material, process, or other item provided by Contractor is covered by a patent or copyright or which is proprietary to or a trade secret of another, the Contractor shall obtain the necessary permission or license to permit the State to use such item or items pursuant to its rights granted under the Contract.

### **41. NON-AVAILABILITY OF FUNDING**

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

**42. SUSPENSION OF WORK**

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

**43. USE OF ESTIMATED QUANTITIES (IF APPLICABLE)**

Unless specifically indicated otherwise in the State's solicitation or other controlling documents related to the Scope of Work, any sample amounts provided are estimates only and the Agency named in this contract does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.

**44. RISK OF LOSS - TRANSFER OF TITLE**

Risk of loss for conforming supplies, equipment, materials and Deliverables furnished to the State hereunder shall remain with the Contractor until such supplies, equipment, materials and Deliverables are received and accepted by the State, following which, title shall pass to the State.

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/proposal on this project, the Bidder/Offeror has considered all Bid/proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in “discrimination” as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. “Discrimination” means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual’s refusal to submit to a genetic test or make available the results of a genetic test, disability, or any otherwise unlawful use of characteristics regarding the vendor’s, supplier’s, or commercial customer’s employees or owners. “Discrimination” also includes retaliating against any person or other entity for reporting any incident of “discrimination”. Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the Bid/proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/proposal. As part of its Bid/proposal, the Bidder/Offeror herewith submits a list of all instances within the past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the Bidder/Offeror discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder/Offeror agrees to comply in all respects with the State’s Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

##### **B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES.**

The undersigned Bidder/Offeror hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, § 14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a Contractor may not identify a certified minority business enterprise in a Bid/proposal and:

- (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the Bid/proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/proposal.
